

AVANTI RESTAURANT SOLUTIONS IS HIRING PROJECT MANAGERS

Are you looking for a work environment where you can collaborate with other colleagues who are genuine and have a drive to succeed? Are you able to ensure projects are executed seamlessly while maintaining composure to meet strict deadlines? Do you have work experience in the design or construction fields?

Avanti Restaurant Solutions, a successful, privately held, \$35M company, is looking for both experienced and entry level Project Managers. Responsible for working within a collaborative team, a Project Manager's duties and responsibilities are intended to support the sales efforts of the Account Team by executing multiple projects simultaneously. We are looking for project managers to join our teams in both Northern and Southern California.

Please apply if you have the following skills:

- Highly organized, attention to detail
- Strong verbal and written communications skills
- Able to collaborate in a highly professional manner
- Able to problem solve and resolve disputes both independently and collaboratively
- Able to multitask in a fast-paced environment
- Technical skills to interpret construction methods, contracts and drawings a plus

Day to Day Responsibilities:

- Maintain schedule to deliver projects on time
- Maintain budget and project expenses
- Collaborate with sub-contractors, GC, and customers throughout the project
- Manage kitchen equipment and custom fabrication procurement, delivery, and install
- Ability to travel to job site.

This is a fulltime exempt position.

Salary (negotiable depending on experience) plus benefits.

Location: California

Hiring multiple Project Managers with a range of relevant professional experience.

Please send resumes to LRossi@AvantiCorporate.com or apply at AvantiCorporate.com under "Careers".
