- Highly organized, attention to detail
- Strong verbal and written communications skills
- Able to collaborate in a highly professional manner
- Able to problem solve and resolve disputes both independently and collaboratively
- Able to multitask in a fast-paced environment
- Technical skills to interpret construction methods, contracts and drawings

Day to Day Responsibilities:

- Maintain construction schedule to deliver projects on time
- Maintain budget for travel and job expenses
- Collaborate with sub-contractors, GC, and customers throughout the project
- Manage kitchen equipment and custom fabrication procurement, delivery, and install
- Ability to travel to job site.

Requirements:

- 2+ years project management experience
- Professional contract specific experience

This is a fulltime exempt position.

Salary (negotiable depending on experience) plus benefits.

Location: Northern California
