

AVANTI RESTAURANT SOLUTIONS IS HIRING A DESIGN DRAFTER

Are you looking for a work environment where you can collaborate with other colleagues who are genuine and have a drive to succeed? Are you able to work under pressure to meet deadlines? Would you enjoy working in an in-house Design Studio specifically to help clients realize their culinary vision? Would you enjoy learning about new products, so you can develop into an industry expert? If this resonates with you, please apply at Avanti Restaurant Solutions for the position of Design Drafter.

Avanti Restaurant Solutions, a successful, privately held, \$35M company, is looking for a design drafter. Responsible for working within a collaborative team, a Design Drafter's duties and responsibilities are intended to support the design efforts of the in-house Design Studio on a wide variety of projects.

Please apply if you have the following skills:

- Proficient in AutoCAD with knowledge of Revit preferred
- Possess strong communication skills, both written and verbal
- Organized and detailed oriented
- Able to collaborate with internal teams and customers in a highly professional manner
- Able to work in a fast-paced growing department
- Food service background and/or construction industry preferred

Day to Day Responsibilities:

- Work alongside project lead to create foodservice drawings
- Assist in design meetings
- Create MEP coordination drawings
- Create spec books for Plan Check review
- Grow industry knowledge through yearly factory training

This is a full time position.

Compensation depending on experience, plus benefits.

Location: Costa Mesa, CA
