

AVANTI RESTAURANT SOLUTIONS IS LOOKING FOR A PROJECT MANAGEMENT APPRENTICE

Are you looking for a learning environment where you can collaborate with professionals who are genuine and have a drive to succeed? Does your skillset encompass a bias for action and a focus on meeting strict deadlines? Do you have an interest in gaining experience in the field of construction of the food service industry and the role of project manager to help jump start your career?

Avanti Restaurant Solutions, a successful, privately held, \$40M company, is looking for a Project Management Apprentice to join our Chain Operations department. This person will work within a team to facilitate the construction, equipment procurement, and installation of commercial kitchen equipment in chain restaurants.

Please apply if you have most or all of the following skills:

- Highly organized with a great attention to detail
- Strong verbal and written communications skills
- Able to collaborate in a highly professional manner
- Able to problem solve both independently and collaboratively
- Able to multitask in a fast-paced environment
- Preferred, construction or in the field experience

Skills to be Learned:

- How to maintain a construction schedule to deliver projects on time
- How to maintain a budget and project expenses
- How to interpret construction methods, contracts, and drawings
- How to manage kitchen equipment and custom fabrication procurement, delivery, and install
- Best practices on collaborating with sub-contractors, GC, and customers throughout a project

Please send resumes to Nicolette@AvantiCorporate.com or apply at AvantiCorporate.com under "Careers".
